Site Survey for Refrigeration Case Lighting

Our **Caselight** case illumination product will enhance the look of your stores. We would be happy to provide you with a quote specific for your application. Please complete the following short survey to enable us to determine the number and type of units you require.

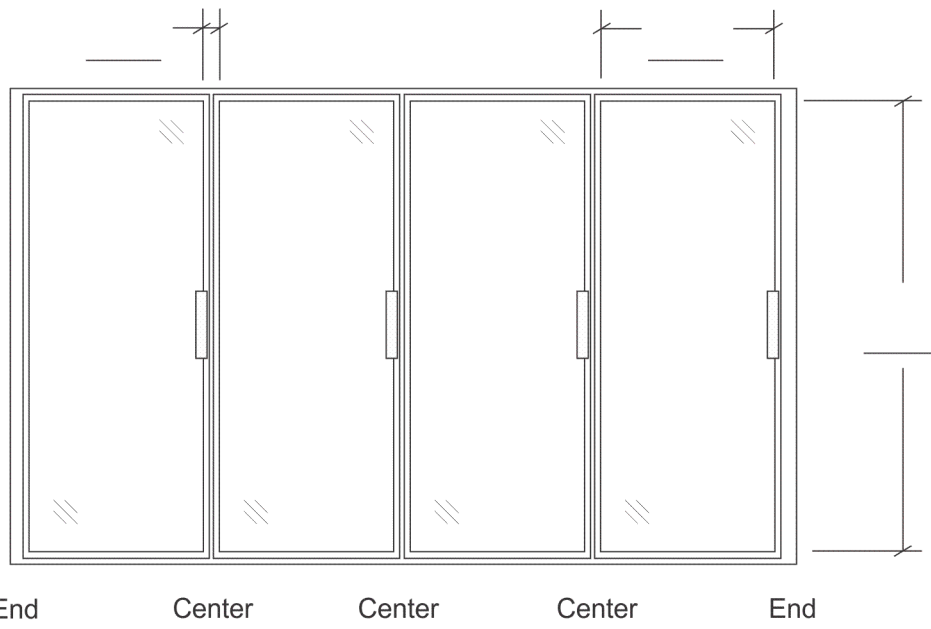

1. Total number of doors and the configuration of the doors? (# of 3-door cases; 4-door cases; etc.)
Please use drawing below as a guide.
2. Size of doors? Height and width
3. Who is your electric utility company?
4. What is your cost of electricity, dollars per kilowatt Hour (\$/Kwhr)?
5. Number of hours of operation per day?

This information will aid us in determining the payback of installing this product.
